TCS is... *Addressing the Mess!*

Fruit of the Spirit Focus: LOVE & JOY

Throughout the school year so far, we have studied the Christian 'story' - the Creation, Fall, and Redemption story that we are all part of. As we turn the calendar page to December, TCS staff and students will also turn a new page in God's story - we will be looking at the work that still needs to be done to restore the world back to the way God intended it to be at His creation. We will spend the rest of the school year on this restorative page while looking at the ways the Fruit of the Spirit help us to answer the question, 'How now shall I live?' as a response to the redemptive work of Christ on the cross. December is a special month in the life of a Christian. It is the month that we set aside to remember and celebrate the ultimate act of LOVE; God sending His very own son on an extraordinary saving mission to free us of our sin and shame. What JOY we have in knowing that our sins died on the cross with Christ and, through His resurrection, we live in freedom and forgiveness!

Biblical Throughlines

Over the last several years we have been studying the **Biblical Throughlines** that our school practices. Although our theme does not focus on the Throughlines this year, it doesn't mean that they aren't happening in our classrooms! If you would like to re-familiarize yourself with

Throughlines, please feel free to use the family devotional that we created several years ago by clicking on the link below!

Devotional](#)**

SPOTLIGHT: Christmas Hampers

By now, you would have received from your child's homeroom teacher a request for items to complete a classroom Christmas hamper. Already the hampers are starting to fill in our classrooms - it is such a blessing to see! THANK-YOU for helping us model to our students what it means to be Image-Reflectors of God. Through the hampers, it is our hope that students will experience being the hands and feet of Jesus and **joyfully** reflect His love!
