**COME AND DISCOVER THE TCS DIFFERENCE!**

## Why consider TCS for Grade 1?

**TCS is committed to LITERACY EXCELLENCE!**

*Our goal is to have 95% of our students reading  
at grade level by grade 3.*

Early literacy and learning skills provide the foundation for learning in **all** subjects.

*At TCS we take a systematic and chronological approach to teaching reading.  
What does this mean?*

**Comprehensive Assessments:** Elementary teachers conduct diagnostic reading assessments bi-annually to help correctly determine the reading level of each child.

**Individual Reading Programs:** We have a wide variety of resources to support each child individually. Children learn best when challenged just ahead of their reading levels.

**Focus on Phonics:** A strong phonics foundation is important as 85% of the English language is phonetically decodable.

**Reading Comprehension and Fluency:** Strategies are provided to encourage success for each child.
