## Pursuing Peculiar: How are YOU Addressing the Mess?

What a blessing it has been to walk through Galatians 5:22-23 with the students of TCS this year! Last year, our theme was *Pursuing Peculiar* and for the month of June we would like students to think of ways in which they can *Pursue Peculiar* in order to *Address the Mess* left by sin, in order to restore the world back to the way that God created it to be. We are going to be asking students, as a result of what they have learned this year, to think about how now they should live. If you are looking for ways in which your family can continue to *Address the Mess* this summer, here are just a few ideas:

- Be **Creation-Enjoyers & Earth Keepers**: go for a walk with your family and/or a neighbour and pick up garbage/recycling on the way!
- Be **God-Worshippers & Community-Builders**: invite a friend to go with you to a summer camp and/or VBS program offered by many of our churches
- Be **Servant-Workers & Justice Seekers**: play with a new friend at the playground and stand up for other kids when they are being picked on!

## Biblical Throughlines

Over the last several years we have been studying the **Biblical Throughlines** that our school practices. Although our theme does not focus on the Throughlines this year, it doesn't mean that they aren't happening in our classrooms! If you would like to re-familiarize yourself with

Throughlines, please feel free to use the family devotional that we created several years ago by clicking on the link below!
