

TEACHING FOR TRANSFORMATION

This year our school theme is '**Mission Possible: Be God's Agent of Change**'.

We want to encourage our students to continue being world changers by **embracing** the Biblical throughlines and **practicing** acts of service.

Why do we need to be JUSTICE-SEEKERS?

The world is not as God intended it to be. That much is clear. U2 lead singer and social activist Bono once said, "Every age has its massive moral blind spots. We might not see them, but our children will." We are able to lead our children to see the injustices in this world—the injustices of poverty, racism, gender inequality, war, exploitation in work places, abuse in relationships, poor governance etc. But seeing these things can't be where we stop. If we do, we leave our students discouraged and hopeless. We need to enable students to act as agents of change by BOTH identifying and responding to injustices. Together we must find the moral blind spots and bring the vision of God's kingdom to them.

Looking Back - October

We learned how to be **God-Worshippers**.

As a family you can continue to:

- Pray for the persecuted church—those who are not able to worship God freely and openly.
- Look for opportunities to serve your neighbours as an expression of worshipping God.
- Actively take part in the life of your church - continue to build community!

Looking Forward - November

We will be learning how to be **Justice-Seekers**!

Please join us on **Tuesday, November 10th at 10:30 am** for our **Remembrance Day Chapel** as we remember and celebrate those who have lived lives as Justice-Seekers.
