

# TEACHING FOR TRANSFORMATION

This year our school theme is '**Mission Possible: Be God's Agent of Change**'.

We want to encourage our students to continue being world changers by **embracing** the Biblical throughlines and **practicing** acts of service.

## Why do we need to be Beauty-Creators?

*We create beauty as a way of praising God and enriching our world.*

As image bearers of a creative God, we will glorify and praise God by creating that which is beautiful and pleasing to Him. **This offering of creativity isn't optional** – it's a joyful duty that students offer as a sacrifice of praise.

When we look at the world around us, the plants, rocks, animals, sea creatures, insects, the skies and beyond and especially people and their intelligence and capabilities... it shouts that our God is a God who loves diversity, complexity, and creativity. We must **stop** and **look** and be **amazed**; we must create the opportunities to see the beauty, delicacy, oddity and miracle of everyday things.

## Looking Back - December

We learned how to be **Servant-Workers**.

**THANK-YOU** for helping us build our Christmas hampers this year!

## Looking Forward - January

Please help us continue to be **Beauty-Creators**!

As a family you can:

- Make cards or pieces of art for your pastors, grandparents, or other special people.
- Buy flowers and give them to a neighbour to brighten their home
- Create a family art gallery
