

TEACHING FOR TRANSFORMATION

This year our school theme is '**Mission Possible: Be God's Agent of Change**'.

We want to encourage our students to continue being world changers by **embracing** the Biblical throughlines and **practicing** acts of service.

Why do we need to be Creation - Enjoyers?

When we recognize God's brilliant creation, ordinary things become extraordinary.

What a delight it is to encourage children to be curious about God's world, to celebrate God's incredible creation, and to develop the confidence to look at their environment with the joy of critical awareness. We can celebrate the gift of having eyes to see, ears to hear and hands to touch and create. Our study can give testimony to the presence of God in creation, the world and people around us, all created by God. Exploring and understanding creation also brings us to a better understanding of the human beings God has created.

Looking Back - January

We learned how to be **Beauty-Creators**.

THANK-YOU to the grades 2 and 7s for a fantastic chapel encouraging us all to be Beauty-Creators!

Looking Forward - February

Please help us continue to be **Creation-Enjoyers**!

As a family you can:

- take a walk. It has been beautiful outside; enjoy it!
- enjoy our amazing backyard. Take a day trip to Canmore or Banff.
- pick up garbage and recycling that has been left behind as snowbanks melt.
