

TEACHING FOR TRANSFORMATION

This year our school theme is '**Mission Possible: Be God's Agent of Change**'.

We want to encourage our students to continue being world changers by **embracing** the Biblical throughlines and **practicing** acts of service.

Why do we need to be Image-Reflectors?

"And all of us have had that veil removed so that we can be mirrors that brightly reflect the glory of the Lord. And as the Spirit of the Lord works within us, we become more and more like Him and reflect His glory even more."

- 2 Corinthians 3: 18

We have all read in Genesis that God 'created the heavens and the earth.' We know all about Joseph and his colourful coat, about Noah and the pairs of animals, and we've all heard about the time that Daniel was thrown into a lion's den. We know these stories so well that most of us would be able to retell them without the Bible right in front of us. When we read about these beloved Bible 'characters' we often see God shining through them. We see God-given courage in Moses when he lead the Israelites through the Red Sea. Dorcas reflected God's love by helping the poor. Sometimes it's easy for us to forget that we ALL play a part in God's story; we are part of the New Testament church! What are you going to do this month to make sure that you reflect God in all that you do? How are you going to make sure that you play your part well, reflecting the Author as you go?

Looking Back - April

You can continue to be **Idolatry-Discerners** by:

- do a family 'audit' to make sure that your family's priorities are in the right place!
- fast from things that distract you from spending time with God.
- set aside a family and personal devotional time. Make an appointment with each other and stick to it!
- give of your time and talents to someone who needs a little bit of help - be the hands and feet of Jesus. Let Him shine through you!

Looking Forward - June

Check out these devotions, articles, and activities about how you can be an **Image-Reflector**:
