

Courtney Heppner

Secretary

My name is Courtney Heppner and I consider it an honour to serve as Secretary for the ACSCS Board. My husband, Sheldon, and I have been married for 12 years. We have two children, Jared in grade 5 and Keziah in Grade 3. I grew up in a Christian home and came to know Jesus Christ as my personal Lord and Savior. I attended a Christian School from grades 3-12 and loved having God at the center of my education. After High School I did a Discipleship Training School with Youth With a Mission, and then joined them as staff. My time with YWAM included short-term missions trips to Thailand, Laos, China, Mexico and a 40 day-coast to coast trip across Canada. I then took my Teacher's Assistant Diploma and was hired on at TCS where I worked until Jared was born. A year and a half later, Keziah was born and we soon discovered she has cerebral palsy. My relationship with God is continually deepening and He has been teaching me to trust Him in all circumstances. Through parenting, God has shown me the meaning of unconditional love, grace and hope. After staying at home with our children, I returned to work as a Learning Assistant at TCS in November of 2013. As a parent volunteer, I've been able to serve on the Auction Committee, PAC Secretary, and KAC Chairperson. I'm passionate about Christian education, how God has created children as unique learners, and how we can lead by example through our faith, to show our students God's love for them. I consider the responsibility and privilege of serving on the Board, a wonderful opportunity to uplift our children, your families, teachers, staff and school before the Lord.

Blessings,
Courtney Heppner
