

## Jennifer Boulton

### *Admissions*

My name is Jenn Boulton and I am in my second year of serving on the ACSCS board. I've been married to Greg for 14 years and we have 3 boys. Our family joined the Trinity community 5 years ago. Currently our oldest son Ryan is Grade 6, our middle boy Jeremy, is in Grade 4, and our youngest Luke is in Grade 1. Our family attends Southview Church, and we enjoy leading a small group and have been involved in many ministers over many years there. Serving and growing in our relationship with God is something very important to my husband and I, after all we can't expect our children to have servant hearts if we don't model it for them. I work part-time outside the home and have been a nurse for 17 years at the Children's Hospital in the ER department. As a family we love to enjoy and participate in each other's various activities and sports. We love to travel internationally and enjoy camping in the summer. Trinity already has such a special place in our hearts as we watch our children grow and learn and thrive here. It is an honour to serve on the Board in the role of Admissions. I love to meet the families considering our community at TCS for their children and their families. I wish you could all hear the stories I get to hear during the Admissions Interviews, they are full of God's goodness and faithfulness, redemption and love.
