

Mike Humphries

Chairman

My name is Mike Humphries and I am married to Robin. Robin and I have been blessed with three children: Lindsay (grade 6), Jack (grade 4) and Charlie (grade 1) all of whom attend TCS. I am the 3rd generation to run our family printing business, Humphries Printing. In my spare time I enjoy spending time with my family, playing hockey and golf. At the age of 9 years old during a boys brigade event at First Alliance Church I responded to an invitation to give my life to the Lord and invite Jesus into my heart as my personal Lord and Savior. Growing up in a Christian home my parents provided a great example of a personal walk with the Lord that I strive measure up to each day. I have attended First Alliance Church my entire life except for a 4 year stint while away at Simpson College in San Francisco, CA. While at Simpson (one of 4 C&MA colleges in the U.S.A) I earned a B.A. in Business Admin. as well as a minor in Biblical Literature. I currently serve on the Board of Elders at First Alliance Church and have been involved for over 25 years, either as summer staff and/or a board member at Camp Chamisall. Robin and I are thrilled to have joined the TCS community in the fall of 2012. Each of our kids has had, and continue to have, a great experience at TCS. We are very pleased that our children are receiving a Christ centred education in an environment of care and concern provided by the staff and faculty of TCS. For the past 2 years I have volunteered as a head coach working with the grades K - 6 students in the TCS Eagles hockey program. I am both honored and humbled to be asked, and am happy to allow my name to stand as a nominee for the ACSCS Board of Directors.
