

# Christian Curriculum Corner

Over the last several years, our yearly school theme has encouraged students to recognize their place in God's grand story and to play their part in restoring His fallen world. This year at TCS, we are going to continue with this by using the theme, 'Address the Mess'. Our God made a perfect world without a single blemish. As a result of man's fall into sin, our Heavenly Father recognized our need for a Savior and sent His Son to redeem what was lost. While the work on the cross is finished – Jesus fully paid for our salvation – our part in helping God restore this messy world continues, with the guidance of the Holy Spirit. In Galatians, Paul encourages the churches of Galatia to live a life of freedom – Jesus died for it after all – but to use that freedom to serve and love others. This year, at Trinity Christian School, students are going to serve one another and those in our communities by practicing the fruit of the Spirit.

*"But the fruit of the Spirit is love, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law."*

*Galatians 5:22-23 (ESV)*
