

Lynn Kielstra

My name is Lynn Kielstra and I would be happy to serve the TCS community as a board member. My husband Tim and I have been married for 15 years and have 3 awesome boys who attend TCS, Luke in grade 7, Austin in grade 5 and Teagan in grade 3. I have always had a huge heart for people and for building community. I have enjoyed volunteering at TCS in the classroom, as KAC chairperson, Auction Chairperson, coaching basketball and several other roles. I have loved being involved and the relationships that have formed from doing so. Our family all fell in love with Trinity and have felt such a feeling of God's presence in this place. My favorite part about TCS is watching the children praise God in chapels, classrooms, and interactions with each other. Christian Education is a strong passion of mine. I grew up in a Christian home the daughter of a Christian School principal. I attended a Christian school from pre-k through grade 12. I accepted Christ as my own saviour as a teen and dove headfirst in to living for Him! I pursued my passion for Christian education and obtained a BA of Education at Dordt College. I felt God's call on my life to serve him anywhere He wanted me and He brought me to the island of Saipan where I taught grade 4. I have also taught in Denver, Colorado and here in Calgary. Currently I work part-time for my husband's family business in addition to raising our children. Our family attends Covenant Christian Reformed Church where we are actively involved. Our passions as a family include sports, camping, biking, and enjoying God's amazing creation.
