

Lorraine Deemter

Hi, my name is Lorraine Deemter. I am a wife to my husband Klaas and a mother to our four children. Alayna (gr12), Cameron (gr10), Courtney (gr 9) and Jayden (gr 6). I run a small hairstylist business from my home. This is something that I am really passionate about because I love to meet people and help them feel better, even if just for a day. :) My husband and I have been sending our kids to TCS since our first child went into kindergarten. Klaas and I both grew up in Lethbridge and attended Immanuel Christian School from kindergarten to grade 12. We loved our Christian education and wanted it for our children. When we moved from Ponoka to Calgary in 2005 we chose a school first before we even began to search for a place to live. It was extremely important for us to find the right school to partner with us in raising our children. Our hope was to find a school to lead our children to be the best they can be for God's glory. We have found that here at TCS and have been extremely grateful for the school's support. We have been involved in many of the committees at TCS. I have been on the Kindergarten Action Committee and on the Education Committee and have volunteered for many field trips, sporting events and other various activities. Klaas also served on the ACSCS Board from 2009 to 2012 and has for many years been on the Finance Committee. Our family is growing up fast! We only have three more years here with our Trinity community. We are thankful and blessed to serve alongside this great community as we work together to lay a foundation for our children and for their future.
