Train up a child in the way he should go; even when he is old he will not depart from it. Proverbs 22:6

## April Focus: COURAGE & CONFIDENCE

An excerpt from [Raising Confident and Courageous Daughters](#) by Ramona Vincent

If we could pick just one personal quality to cultivate in our daughters – if we could gift wrap one specific character trait and envelope them in it like a warm, cozy sweater – what would it be?

Based on the multitude of challenges that women face in the world today, particularly young women of integrity and faith, I think I'd infuse our daughters with a heaping dose of courage!

I want to teach our girls, their friends and the generations that follow how to bravely stand where the Lord places them and how to courageously follow where their Savior leads!

I want girls and women of all ages to take the following passage of Scripture to heart:

*Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go. – [Joshua 1:9](#)*

What exactly is courage? For each of us, courage means finding the mental and moral strength to venture, persevere, and withstand danger, fear and difficulties, even when we are afraid. For Christians, courage also encompasses learning to walk in the supernatural power of the Holy Spirit by acknowledging Jesus as the source of our power and strength! ([Philippians 4:13](#))

The Bible is filled with many examples of young women who trusted in God's promises and relied on God's strength when faced with adversity, social pressure, and overwhelming odds.
