WHAT'S HAPPENING @ TRINITY CHRISTIAN SCHOOL

Christian Curriculum Corner

This year our school theme is "Becoming a Game Changer!" Throughout the year, using the analogy of sports, each class will be focusing on virtues that will help us all contribute to God's team and His game plan for this world. It is our hope that through this, students will continue to recognize the role that they each play in God's restoration plan. We are excited to see how this year will unfold and we invite you to come to our theme chapels each month where we will share with you what we have learned! Kindergarten Registration 2020

The time is upon us to prepare for Kindergarten registration for September 2020. If you are currently a family with an eligible child, you *do not* need to do anything at this time. We have your child in our data base and we are tentatively holding a spot for him/her. If you know of anyone outside our community that is interested in submitting an application for Kindergarten 2020, the *new ONLINE APPLICATION* will be **live at 7 am on Friday, May 31, 2019**. They can submit their application at that time or anytime following. Please contact Audra Chase in the Admissions Office if you have any questions.

TCS Fun Run Club!

Grade 1—3 students

Wednesdays from 12:30-12:55

All students in grades 1-3 are invited to join, regardless of fitness level or experience with running. Students will be encouraged to work at their own level. Walking breaks can be taken when necessary, and students will gradually build their stamina with each run they do.

This program is being offered at no cost. To help your child be successful, please ensure they arrive prepared on run days. Outdoor runs will occur whenever possible, so please make sure they come to school with clothing appropriate for weather conditions and a change of clothes (especially socks!) on Wednesdays.

All participants must wear running shoes for running.

If you have any questions, please contact Lauren Brown at lauren.brown@pallisersd.ab.ca

Do you know of someone who may be interested in our school? Please invite them to this great opportunity to learn more about TCS.
