

Andrea Vickers

My family and I have been part of Trinity Christian School since September 2016. We are thankful every day as we drop our children off. Coming from the public school system, we have seen first-hand the difference of this school. TCS is truly a beacon of light in this dark world. The teachers and staff, academic education, athletics, and Christian teachings are unmatched and set our children up for success and a life-long love for God. I have a heart to serve on this board to help in preserving and nurturing our special school.!

I have had various involvements in the school: sports team manager, regular driver for sports teams, regular driver for Outdoor Recreation option, hot dog days, ski days, classroom support, Open House and Walkathon. I look forward to the possibility of getting more involved in our amazing community through serving on the board.!

I have studied the Statement of Faith of the ACSCS in detail and looked-up supporting scriptures. I fully agree with all points listed and confirm that these align with my beliefs.!! I have had a heart for God for as long as I can remember. I grew up in a Catholic home and was baptized and had my First Communion and Confirmation in the Catholic Faith. Twenty years ago, during our pre-marriage classes, my husband and I officially became Christians by inviting Jesus into our lives and starting our relationship with God. Since then, I have been involved in countless bible study classes and served in many roles in the church, including usher, librarian, marriage class server, marriage class leader, prayer group member, funeral server, Sunday school and VBS food preparation. To further publicly confirm our faith and obedience to God, my husband and I were baptized about 10 years ago.!!

Thank you for considering me for this position on the ACSCS Board of Directors.
