I grew up in a Christian home and fell away from it in my youth. My relationship with god rekindled when I moved to Calgary after I had a very difficult time in my life and accepted god as my lord and saviour. I started attending River Park Church and was welcomed and eventually made my profession of faith there. I have attended River Park Church for approximately 19 years where I have served as a deacon and a leader for the boys' club.

My involvement at Trinity Christian School has been with the Long-Range Planning group where I completed a design option for the New washrooms and change rooms beside the gym. Our children will all be attending Trinity and I want to do my part to ensure Trinity is a great place to learn and serve.

Thank you for your nomination for the ACSCS Board of Directors.
