TCS Fun Run Club!

Grades 1—3 Wednesdays from 12:30-12:55

All students in grades 1—3 are invited to join, regardless of fitness level or experience with running. Students will be encouraged to work at their own level. Walking breaks can be taken when necessary, and students will gradually build their stamina with each run they do.

This program is being offered at no cost. To help your child be successful, please ensure they arrive prepared on run-day. Outdoor runs will occur whenever possible, so please make sure they come to school with clothing appropriate for weather conditions and a change of clothes (especially socks!) on wet days. All participants must wear running shoes for running. The fall season will run as long the weather permits. If you have any questions, please contact Lauren Brown at

Blessings Group

As a school community of believers and followers of Jesus, we are committed to walking alongside each other in times of joy as well as times of difficulty. We invite you to partner with us as we prepare to bless others when needed, by providing meals. If you feel the Lord leading you to help out in this area, we would ask that you sign up on the google document by [clicking here](#), to provide a meal that we can keep in our freezer here at the school and bless individuals or families as needed. We may also reach out at different times to ask if you are willing to provide a fresh meal. If this is something that you are interested in, please indicate so in the space provided.
