TCS Therapy Dogs

We have three staff members here at TCS who are currently working towards having their dog certified to be a Therapy Dog. We would like to introduce you to our three friends.

Murphy Hi! My name is Murphy and I am a 1 year old Aussiedoodle. I love long walks at the dog park, swimming for hours on end, and playing with every dog I see! My visits at Trinity are the best! I hang out in Junior High and the kids give me all the belly rubs I could ever want! I know a few tricks, and love showing them off to my friends. Did you know I can jump through a hula hoop? I'm pretty soft, so feel free to give me a pet whenever you see me- you just need to ask my Mom first, she's picky about that!

Hello, I am Bogart Jim Vriend, although most people just call me Bo. I am a one and half year old miniature Schnoodle, my birthday is on March 26th. I LOVE food and treats, they are the best! Every day my human family shares cheese with me, it's my favourite. I love being at TCS and spending time with kids and the E.A.s, as well a few staff like to come and say hi. But my most favourite part of the day is when I go outside at recess with all of the kids and they throw my most wonderful squeaky ball, it's the BEST. I hang out in the business office with my pet-parent and you will often see me watching the kids through the window. Make sure you always ask if you can pet me, it's a rule everyone needs to follow.

Hi! My name is Bella and I'm a six year old mini golden-doodle. My Mom is a golden retriever and my Dad is a mini-poodle. My main hobby is pretending to be human and trying to go everywhere my family does. Soccer practice is my favourite because so many siblings get bored watching and come to play with me instead. I can climb small ladders and go down slides and I rocked my agility class. Now that I'm older, I'm happy just laying around humans and waiting for pets to come and stay with us.
