mas caluroso es febrero y el mes mas lluvia

so es mayo, las actividades que

es jugar, ir a la pircina, comer

Dear Sponsors, I am sending you cordial greetings. I hope that you are in good health along with your loved ones and enjoying blessings from our good God. I am happy to be writing to you again and telling you a lot of things. My favorite kind of weather is the summer [dry season], because it does not rain, and I can go out to play ball with my friends. The coldest month in my community is December. The hottest month is February, and the rainiest month is May. The activities I do in the summer are playing, going to the swimming pool, eating ice cream, and wearing cool comfortable clothes.

The thing I do not like about the summer is that it gets very hot and dusty. The activities I do in the winter are watching TV and drinking coffee with bread. I do not like the thunder. Thank God, I am healthy. I am going to pass this year in school. I want to tell you that I participated in various activities in school, and I won some prizes. In answer to your questions, as of now my doggy has not died. My bunny did die, and I was very sad. My school year went very well. I learned a lot of things. My favorite kind of food is chicken in broth, grilled chicken, and tacos. How are you? What is your favorite kind of weather? Thank you for all of the letters you write to me. They are very nice. I want to ask you to pray for me, for my family and for my life. Goodbye with lots of love and affection. Kisses.
