### A Note from Admissions Re-enrollment

February is re-enrollment time at TCS. If you have been around for any length of time, you know about our online re-enrollment documents. They will be sent to you the first week in February. This will be the last year for these documents. We will be initiating a new program beginning with the 2021-22 school year. We will take the next 12 months to roll out the new program so that all our families will have plenty of time to become familiar before it goes live in February 2021. More details will be included in your enrollment documents.

### Loonies for Compassion

#### 100's Day Celebration and Fundraiser

The money raised will go directly to supporting Edder through Compassion Canada. The TCS community is encouraged to join us in bringing Loonies for Compassion.
