

WHAT'S HAPPENING @ TRINITY CHRISTIAN SCHOOL

Christian Curriculum Corner

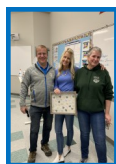

This year our school theme is "Be still". Specifically, each month we will be learning about one of the many promises that God has made to His people throughout scripture.

This month's focus is:

Service

Psalm 46:10-11

Welcome to our two new Educational Assistants

We are very excited to welcome Victoria Scanks and Kayla Anstey to our TCS community. Victoria (Vee) will be working in Junior High and Kayla is going to be working with our elementary students. Please help us in giving them both a warm welcome.

"Hi! I'm Kayla Anstey, and I'm the new EA addition to the grade one team. I'm thrilled to be joining the TCS family! I grew up in this neighbourhood, and my parents still live here, so in some ways it feels like coming home. Prior to coming to Trinity, I taught 7th grade in Memphis, TN. I loved the city and the people there, but God had His reasons for bringing me back to Canada... Shortly after returning, I met my husband, Mark! We were married September 04 of this year. When I'm not learning with our wonderful grade ones, I am reading (mostly biographies or sociology books,) going for walks with friends, or trying to master the art of cooking (with varied success!) I look forward to getting to know y'all this year- I know God has good things in store!"

-Kayla Anstey

Hi! My name is Victoria Scanks, but most people just call me Vee. Thank you for the warm welcome to the Trinity Christian School team! I am so looking forward to

working with the Grade 9 students this year. I've worked with children and teens from a diverse demographic in the non-profit sector for 10+ years, and most recently had the opportunity to co-direct a weekly drop in center for at-risk youth for 3 years. In my time coaching these teens into young adults, I've watched many of them blossom within a relationship of an encouraging adult, who won't judge them by first impressions alone. I count it a privilege to be a part of a school that opens a door of opportunity, while also loving each child in their uniqueness the way Jesus does. When I'm not working at TCS, I can be found hanging out with my husband, Clarke, and our trembly - but cute doggo, Molly. You can also find me cleaning...a lot, because I run my own small commercial cleaning business. In my free time, I really enjoy a great story, and am not picky about the medium I consume it through, whether that's a podcast, book, or TV series. Please don't be shy, and come say hi if you see me around the school!

Remembrance Day Chapel

This year our Remembrance Day Chapel will take place on Friday, November 6 @ 8:45 am.

As we have done in the past, we will honour those who have served or are currently serving Canada in some capacity. Our Chapel will include :

- ◆ A slide show of our TCS family members who have served or are serving
- ◆ Our grade 8 drama students will be performing "A Day in the Life of a Soldier"
- ◆ As well as other ways that we will be observing Remembrance Day.

Students will remain in their classrooms during this time and will be observing Chapel via Google Meet. Please [click here](#) to view our Remembrance Day Blog Post.

(Post will go live Friday, November 6th in the afternoon.)
