### Christian Curriculum Corner

This year our school theme is "Be still". Specifically, each month we will be learning about one of the many promises that God has made to His people throughout scripture.

This month's focus is: God Give Me Strength.

### Pastor Tim

#### *Reflecting on his first month*

My first month at Trinity Christian School has been life giving. Being in the presence of students, listening, encouraging, laughing, playing, talking to and with them, preaching to and praying for them has been a dream. I wait with anticipation to see what future grace God will provide for us.

The best is yet to come!

## Junior High Ski Trip

Our junior high students had the opportunity to go skiing before spring break. Each grade went on a separate day and they had a wonderful time being in community with each other and in God's creation. Please [click here](#) to view some of the great photos.

## Walkathon

We are so excited to announce that TCS will be going ahead with our annual walkathon this spring. Please stay tuned for more information.

## Tell Us Your Thoughts

COVID has definitely changed the past year for all of us, but in difficult times there are STILL joyous times. Mrs. Duimel shared her story [here](#). We would love to hear from you to see how God is working your lives as we begin to reflect on the past year and look forward to next year.

*We would love our families to encourage each other by sharing the positive moments that have happened over the past year.*

## Sharing our Heritage Through Recipes

The grade 4 classes are learning about First Nations in social studies, and we're so blessed to have one of our moms, Mrs. Dodginghorse, enrich their learning with some delicious food. Please [click here](#) to get Mrs. Dodginghorse's Fry Bread recipe and to view photos.

*Here is a beautiful poem by a student that we wanted to share with you as an encouragement*

# THE ROADS OF LIFE

By E.Alicornrose

The road of life  
Brings Triumphs and defeats  
Creating new ways for a person  
New stories to tell

God gives us choices  
We take one or the other  
But God is there in either of these decisions  
He just wants us to be with him

It helps the wanderer find home  
And the woman to find love  
The traveler to find rest  
And the world to find God

Many stray from the path  
But God still wants them  
He looks over mountains and searches any bush  
He cares for them deeply  
Like He does for you
