WHAT'S HAPPENING @ TRINITY CHRISTIAN SCHOOL

Christian Curriculum Corner

This year our school theme is "Be still". Specifically, each month we will be learning about one of the many promises that God has made to His people throughout scripture.

This month's focus is: *God Hears Me*

Calgary Pregnancy Care Centre's Baby Bottle Campaign

Thank you to all of the TCS families who took part in raising money for the CPCC's annual Baby Bottle Campaign! Our goal this year was to raise \$5000 and we did it! This is the third year that we have taken part in this fundraiser and this is the most that TCS has ever raised! Well done! So many families are going to be blessed through the CPCC with the money that was raised. Please click [HERE](#) to watch a video sent to us by TCS parent and CPCC employee Mrs. Hargreaves to announce the winning class of the pizza party for most funds raised. Awesome work, TCS!

Pastor Tim

Connecting through Video

Although Pastor Tim would prefer to connect with our students and families in person, for now, he has been using the gift of technology to send out messages in videos. Have you seen them? [Click here](#) to find them as well as view his newest encouraging message.

Kindergarten 2022/2023

Registration for the Kindergarten 2022/23 year will open to NEW families on Friday, May 28, at 7 am.

We have limited space for the 2022/23 year for new families so we wanted to give our current families the first opportunity to reach out to their family and friends to let them know of the opportunity to join our wonderful school.

Please share [this link](#) to access the online application with your family and friends.

We recommend you have potential families reach out to Audra Chase, Admissions Coordinator, over the next few weeks to ask any questions and possibly have a tour (virtually or in person) so that they can decide if TCS is the right school for them before registration.

We are now starting to book for summer break and look forward to lots of fun activities for the months of July and August.

We have weekly and daily rates.

Serving Our Community

Our Kindergarten and Grade 1 classes spent time recently serving people in our community showing that even if you are small you can do BIG things for God! Both grades did extra jobs around the house to raise money for their service projects. The Kinderkids blessed the seniors at Silvera Seniors home with gifts and cards. Our Grade Ones partnered with Bonavista Evangelical Missionary Church to fill their food pantry with groceries. Click on the links below to learn more and see photos.
