# ADMISSIONS OFFICE

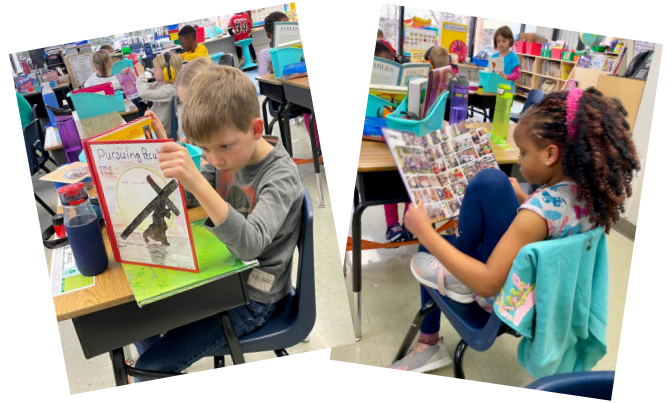

## Kindergarten 2023/2024

Registration for the Kindergarten 2023/2024 year will open to NEW families on Friday, May 27, 2022, at 7 am.

We have limited space for the 2023/24 year for new families so we wanted to give our current families the first opportunity to reach out to their family and friends to let them know of the opportunity to join our wonderful school.

If you know of potential families here are ways to help them decide if TCS is the right school for them:

- suggest they contact Audra Chase, Admissions Coordinator, to ask any questions and/or take a tour.
- share [this link](#) to our Kindergarten page on our website. It includes information about our program including 2 videos as well as the link to apply.

## 2021-22 Yearbook

Every family at TCS receives one yearbook free of charge.

If you would like to purchase additional book(s) for the 2021-22 school year, please [click here](#).

The yearbooks will be distributed at the end of September.

**Deadline to order is June 8th.**

Klub Care is offering one of the **best summer camps** in the city, right here inside TCS!

With two themed camps AND two field trips every week, it's going to be a busy summer.

More info can be found [here!](#)

Our School Start Order lists are now available on the TCS Website. Please [click here](#) to view the lists and to order your child's school starter kit online.

Please note that the school receives a credit for all orders placed between April 1st and July 31st, 2022. We are then able to use this credit for some of our general supplies that are made available to all teachers.

If you have any questions please feel free to call the main office.
