

## Kristina Haley

Cameron and Kristina Haley have been part of Trinity Christian School since 2014. Their Children are Ella (12), Calia (10), Judah (8) and Lincoln (6).

Kristina has a background in Recreation Therapy and was a Flight Attendant with WestJet for 15 years. In this last year she has launched a new custom gift box company called JOYBOX that makes sending joy and encouragement easy.

She has thoroughly enjoyed volunteering with various field trips and in the classrooms throughout the years at TCS.

Kristina is thrilled to have the opportunity to support, encourage and be a part of the bigger vision for the TCS community. She has a huge desire and passion for the kids to grow in their faith and strengths in real and tangible ways.
