

Allison Rousell

Tyler and Allison Rousell have been at Trinity Christian School for 6 years. Their children are Noella (gr 5), Eliza (Gr 3) and Vienna (Gr 1).

Allison is a Registered Nurse at South Health Campus on the Adolescent Mental Health inpatient unit. Consequently she is very passionate about child/youth mental health. :)

"I have been involved in class support and TCS field trips. I am thrilled to be part of this amazing team, which has been assigned the responsibility of prayerfully navigating the future of our school, and upholding our Christian values in the education setting.

TCS is not simply a school where we send our kids, but an extended part of our family.
