

This year, our theme at Trinity Christian School is **By Faith**, based on Hebrews 11. Our deep hope is that students would grow in their understanding of, and dependence on God's character, His actions, and His promises, as revealed in His Word.

The faith of those who have gone before us point to the One we put our faith in for life and salvation. Our heart is that as we journey through the diverse stories of faithful biblical characters, we would grow in a deeper understanding of God's faithfulness throughout the grand redemptive narrative found in scripture. And, in light of this reality, we would confidently live out our faith in new and meaningful ways.

"Now faith is confidence in what we hope for and assurance about what we do not see."

Hebrews 11:1, NIV
